

DOLPHIN EON™ 120d

LEARNS YOUR POOL. CLEANS IT ALL.

DOLPHIN EON™ 120d

EON™ Line

The Pool Cleaner That Reaches Where Other Can't.

The Dolphin EON 120d delivers powerful, intelligent cleaning for pools up to 50 ft / 15 m. Designed for complete, consistent coverage, it cleans floors, walls, waterline, steps and tanning ledges as low as 8" / 20 cm- leaving no area untouched. With smart navigation, extended runtime up to 2 weeks on one charge, and patented backwash filtration, the EON 120d keeps your pool effortlessly clean with less maintenance all season long.

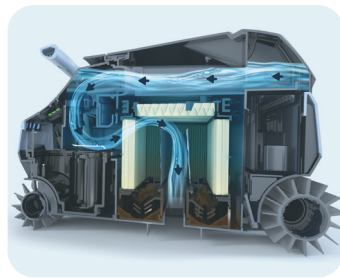

The Dolphin EON 120d Difference

Complete Pool Coverage

Cleans floors, walls, steps, and tanning ledges as shallow as 8" / 20 cm.

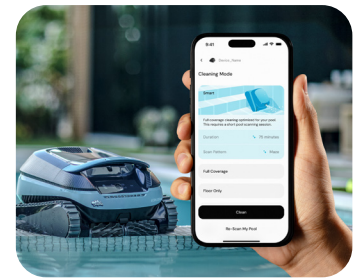

DebrisLock™ Filtration

Captures ultra-fine debris for 4X clearer water.

SmartMap™ Navigation

Scans your pool and creates efficient cleaning paths.

App-Controlled Simplicity

Schedule cleanings, monitor status, and troubleshoot seamlessly from your phone when the robot is out of the pool.
